Correction to: Annals of Forest Science

<https://doi.org/10.1007/s13595-019-0879-y>

This correction stands to correct the original article where a processing error led to the erroneous reference Lopez-Pantoja et al. (2008). The author group and publisher regret the error and ask the reference to be acknowledged as López-Pantoja et al. (2008) and not the prior. With this correction, the original article has been corrected.

Handling Editor: Aurélien Sallé
